

It's Gonna Rain

Can't you see the clouds gathering
Don't let it be said too late
There's a brand new feeling in the air
Better run, to the ark, before the rain starts

You better come on in this house
'Cause it's gonna rain (it's gonna rain)
Rain down fire
It's gonna rain (come on in this house)

Door stands wide open
Just call his name
Don't wait too late
'Cause (it's gonna rain)

Come on and follow me, it's gonna rain (repeat)
