

I hold you in my heart

Though the days have passed since i saw you
And we haven't talked for a while.
When I'm sitting down in a quiet place
I still think of you and smile.

Even when you've been in the distance
It has never felt too far
'Cause though you may not be in my company
I still hold you in heart.

Ooooo

I remember when we were closer
Walking journeys side by side.
When we shared our fears and our brightest dreams
Holding nothing back to hide.

Now I wonder if you are happy
If you days are light or dark,
Whichever may be true I hope that you
Know i hold you in my heart.

Ooooo

So I'm sending you my thoughts
And my prayers whatever their worth
I hope someday we will find a way to see each other again.

And I'll leave you with this song
That I sing to heaven above
However far we stray it won't take away
That I hold you in my heart
Yes I hold you in my heart.
