

Wings

Carl Strommen

Verse 1

And give me wings to travel swiftly
O'er fields of green and skies of blue.
And let my wings lift me higher,
And bring me home to you.

Verse 2

And give me wings to ride the wind
Through winter's storm and
summer's light.
And let my wings lift me higher,
And bring me through the night.

Chorus

Carry me high above the water,
Carry me high above the plain.
Carry me far beyond the rising of the
sun,
Bring me home again.

Verse 3

And give me wings to see the
mountain,
To ride above the clouds so high.
And let my wings lift me higher,
And bring me through the night.

Verse 4

And give me wings to feel the wind-
song,
And let me fly above the sky.
And let my wings lift me higher,
And bring me to your side.

Chorus & Outro

Carry me high above the water,
Carry me high above the plain.
Carry me far beyond the rising of the
sun,
Bring me home again.
Carry me high, high above the water,
Carry me high, high above the plain.
Carry me far beyond the rising of the
sun,
Bring me home again,
Bring me home again.
